

There is a doughnut shop and bakery in Clare, Michigan that has been in constant operation since 1896. This foundational business was within weeks of closing when the members of the Clare Police Department came to the rescue. All of them. That's right, all nine members of the local police department banded together to save this historic business. Dubbed "Cops and Doughnuts," the business boasts handmade confections of all types.

Wheeler's Restaurant has a long tradition of local, tasty baked goods. For decades, a display case offering Standish Bakery doughnuts and breads resided within the restaurant. We are proud to partner with Cops & Doughnuts, another small-town Michigan business, to once again have a doughnut case sit in the exact same spot as it did throughout our history to delight our customers' sweet teeth.
